### ART at iSchool

iSchool limits enrollment to just 10 students per class. Our class size enables students to have a positive social experience while also providing personal attention.

\*\*\*all classes meet once per week and are subject to enrollment\*\*\*

#### The classes...

Painting  
&

Drawing

•**Petite Picassos (Level I):** abc's of painting & drawing (60 min, ages 3-7)

Petite Picassos teaches visual art basics in a weekly hour long class. Colored pencils, acrylic paint and oil pastels are some of the mediums beginning artists will work with. Influential artists are introduced and styles imitated.

Ages 3-4: Thursday 4pm

Ages 5-7: Monday 4:30pm, Thursday 5:15, Saturday 9am

•**Monet & Matisse (Level II):** painting with expression (60 min, ages 7-9)

Monet & Matisse is for those who have mastered the basic skills of painting and drawing. This program encourages students to develop a style of their own while also referencing trend setting artists.

Pencil, acrylic, pastels, ink and charcoal are just some of the mediums students use in this weekly, hour long class.

Tuesday 5:30, Thursday 6:30, Saturday 10:15

•**Portrait & Figure Drawing (Level III):** working with your learned skills (90 min, ages 10+)

Learn the advanced steps in portrait and figure creation using pencil, charcoal, pastels, ink and paint. Self portraits, gesture drawing, full figure contour line drawings....even animal figures as well as the fashion figure!

**Schedule:** Wednesday 7:30

Cartooning  
&

Animation

•**Mickey, Bugs & Calvin (Level I):** cartoons & comics (60 min, ages 8+)

This class is for those who would like to re-create or develop their own cartoon characters with imaginative flair. Colored pencil, ink and pastels are some of the tools used in this class.

Tuesday 4:30; Wednesday 4pm, Saturday 11:30

•**Advanced Cartooning (Level II):** advanced character drawing (90 min, ages 9+, pre-req: any Level I class)

Saturday 12:45

•**Animated Video:** characters that come to life (90 minutes, ages 9+, pre-req: any Level II class)

Character design, storyboard creation, set design, claymation and video production makes this class a one of a kind opportunity for your child to enter the magical world of movie making!

Wednesday 6pm

Unique  
Offerings

•**Printmaking:** artwork you can wear! (60 min, ages 9+)

Is your child the next Ed Hardy? Find out by learning screen printing and design your own artwork and print on shirts, pants and other clothing. Also learn how to carve and print into linoleum and metal blocks to create one of a kind stamps that you can keep forever

Wednesday 5pm

•**Shutterbugs:** basics of digital photography (60 min, ages 10+)

A whole new world appears when you go just a few steps past "point and shoot." Discover the importance of light source, aperture and white balance as well as composition and portrait posing.

Shutterbugs will help you create photographs instead of snapshots and family portraits instead of pictures.

Tuesday 6:30

•**Private Lesson & Portfolio Preparation** (60-90 min, ages 13+)
